Santa's Coming to Barrington

Please come and greet Santa Claus when he arrives on the 10:16 a.m. train at the Barrington Train Station on Saturday, November 27, 2004. The day's events will begin at approximately 10:00 a.m. with holiday songs by carolers awaiting Santa's arrival. Santa will remain at the train station until approximately 11:00 a.m., at which time he will be popping up in Barrington area stores and restaurants.

From 3:00 p.m. until 6:00 p.m., FREE carriage rides will be offered to tour the South Cook Street area. At 4:45 p.m., the Barrington community is invited to join Village President Marshall Reagle

and a representative from the Barrington Area Chamber of Commerce, in lighting the official Village Tree for the 2004 Holiday Season located at the intersection of Main Street and South Cook Street. Following the tree lighting ceremony, all those attending are invited to visit with Santa at the Barrington Train Station where there will be cookie decorating for the kids, Holiday Carolers and refreshments. After a busy day in Barrington, Santa will begin his long trip home to the North Pole. We hope you will take this opportunity to wish him farewell.
